

Raphael 50/50 Club

Have the fun of a flutter for a good cause every single month by joining our 50/50 Club - and our odds are so much better than the National Lottery!

- £12.00 will buy one number to be entered every month for twelve months. You may buy as many numbers as you would like.
- Half of your money will help the work of the Raphael Pilgrimage. The other half creates the prize fund to be shared out in the prize draws.
- The draw is made monthly around the 15th of the month.

Send £12.00 for each number (to be entered once a month) with the slip below to:
